

10x10 Move-Out

You will be moving out thru Hall D on the Champa St side of the CCC. This is the opposite side from where you moved in. At the close of the show, 5:00 pm, the C/D Hall air wall will be opened – this will take approximately 30 minutes. Cart service will be provided to help move your display over to Hall D. Once you have moved your display, you can bring your vehicle up to Hall D. Your vehicle must have the attached vehicle ID pass to come up the ramp. Your vehicle will only be allowed in Hall D. You are also welcome to walk your display out through the front of the CCC. No carts or dollies are allowed on the Atrium tile floor down below at the main 14th Street entrance. Reminder, by your contract you cannot breakdown your booth until the show closes at 5:00 pm.

Cart Service Pickup

Move yourself or use the provided cart service to move your display into Hall D. Enter the CCC off of Champa and come up the ramp to Hall D. Must have the attached vehicle ID pass to enter. Load as quickly as possible and exit back off of Champa.
